Nonie of Beverly Hills founder **Nonie Faggat**, passed away in Las Vegas, Nev. of a heart attack; she was 84 years old. Faggat, a former flight attendant for TWA, began making her own skin care products at home from family recipes that were passed on from generation to generation in the 1960s. After being routinely complimented on her skin, she started her company, Nonie of Beverly Hills in 1984. Faggat was one of the first pioneers in the natural skin care industry offering premier, organic products like AHA.

Atelier Esthetique Institute aesthetic students and their instructor, **Ms. Schettino**, performed over 100 services at the **Corsi Senior Center**. They volunteered to help the **Beauty Becomes You Foundation** (www.beautybecomesyou.org), a non-profit initiative taking care of seniors' health and well-being. The students found it to be an amazing and enjoyable event. They loved the connection they made with the seniors who were so grateful and appreciative of them. "To put smiles on people's faces, to give back to those in need was indeed a very humbling and fulfilling experience for the students", says Annette Hanson, owner of Atelier Esthetique, "Each of the AEIE students made a difference and cannot wait to volunteer their time and services again."

Cecily Braden of **Beauty Secrets** consulted on the set of the upcoming **Garry Marshall** movie *New Year's Eve*. Among its many stars are Ashton Kutcher, Leah Michelle, Michelle Pfeiffer, Zac Efron, Sarah Jessica Parker, Kathryn Heigl, Hillary Swank, Halle Berry and may more.... Beauty Secrets provided Dewi Sri Spa products and the gorgeous golden traditional Javanese sarong worn by Pfeiffer. Braden was hired as a consultant to make sure they maintained authenticity of a true Bali spa and to coordinate the massage scene with Pfeiffer.

Dermalogica's professionally trained skin instructors have taken to the skies in partnership with **American Airlines**, offering a selection of travel-sized products to first-class and business class passengers on international and select U.S. domestic long-haul flights. As part of the program, Dermalogica products will also be provided in Admiral Clubs for members to enjoy in Boston, Dallas, Los Angeles, Miami and New York City.

Somme Institute has expanded their successful collaboration with **The Spa at Mandarin Oriental Washington D.C.** Coinciding with the launch of Boost, Somme's new self-warming, deeply luxurious mask, and the CACI Ultra machine, they have developed the new Anti-Aging Luxury Facial.
